FLYNN IS HOME; WANTS TO FIGHT CHAMPION

Pueblo, Colo., Oct. 4.—John Flynn, the Pueblo heavyweight, returned here Saturday. It is just a week since he fought Carl Morris, the much-noted "white hope," and he does not show a single mark from the battle. Morris has just left the hospital.

Flynn has an eight weeks engagement before him and following this, he says, he will make an effort to sign up with Jack Johnson. The Puebloan says that he feels that he has a good chance against the negro if the latter has been using the tactics that is attributed to him lately.

The fighting American has mastered much since his bout with Johnson and in his fight with Al Kaufman, in which he knocked the California down eight times and finally forced him to quit, and the fact that Johnson defeated Kaufman by a narrow margin leads Flynn to feel that his chances of defeating Johnson are good. Flynn will spend a few weeks in Pueblo before going on the stage.

For the best saddle horses in the city call phone No. 2, W. L. Trimble, 113 North Second St.

GOING SOUTH?

Going South for the Winter?

Or perhaps just a short trip?

Need a suit case or a traveling bag?

We have them in endless array—suit cases, bags of leather in black or tan—alligators—select one leather lined or lined with linen—with or without fixings."

From \$5.00 to \$30.00.

Trunks \$6.50 to \$30.00.

Washington Suits, \$20 to \$30.00.

Young Men's \$15.00 to \$25.00.

Other good suits \$10.00 to \$20.00.

Boys' and Children's \$4.00 to \$8.00.

COBB IS FASTER THAN JACKSON

Stop Watch Held on the Two Men When Playing a Game Shows the Georgian Gets to First in 3 3-5 Seconds.

Ty Cobb is much speedier than Joe Jackson, the whizkid of the Cleveland outfit, in getting down to first base, according to figures recently snipped during a Cleveland-Detroit game.

Cobb's fastest time in speeding from the plate to the first sack after making a safe drive was 3 3-5 seconds, while the best Jackson produced was an even 4 seconds, giving Tyros an advantage of 2-5 second over the former Southern league speed merchant, which is a big margin in beating out infield hits.

The time was taken without the knowledge of the two great hitters and for that reason is not as fast as they could step it off in competition. The time was taken during a game between the two clubs and shows just about how each steps around the paths in a regular contest.

Cobb's best work came in the eleventh inning of the game, which went for thirteen innings. In that inning he hustled a slow one to the infield and by traveling to first in 3 3-5 seconds beat the throw. Jackson in the second inning hit an outfield fly which looked good and he stepped down the line to the first bag in 4 4-5 seconds. In the thirteenth round Cobb drove out a terrific liner and went to first in 3 4-5 seconds, to second in 7 4-5 and third in 11 1-5, getting a triple. In the ninth round Jackson went to first in 4 seconds on his short single to right.

In the game in which the time was taken Cobb had a much better opportunity of showing his speed and many bugs assert that Jackson under the same conditions might better Ty's mark.

Pueblo, Colo., Oct. 4.—John Flynn, the Pueblo heavyweight, returned here Saturday. It is just a week since he fought Carl Morris, the much-noted "white hope," and he does not show a single mark from the battle. Morris has just left the hospital.

The fighting American has mastered much since his bout with Johnson and in his fight with Al Kaufman, in which he knocked the California down eight times and finally forced him to quit, and the fact that Johnson defeated Kaufman by a narrow margin leads Flynn to feel that his chances of defeating Johnson are good. Flynn will spend a few weeks in Pueblo before going on the stage.

Gentlemen: At a meeting at Mountainair on New Mexico Resources Day of the Chautauqua, has addressed as many as 25 during the session, and all but four of them have fallen by the wayside. Fleming is the only man who has stuck the season through.

Hannie Nodlin, tried out by Cincinnati this spring and now a member of the Columbia team of the South Atlantic League, has been made a professor of chemistry in an Alabama college and will take up his work as soon as the baseball season closes.

It is against the league rules for a New England club to use a player secured under an optional agreement. Since Capt. Roland Barrows of Lowell has been shown to be the property of the Chicago Americans there is talk of penalizing the Lowell club to the extent of denying it the pennant that it apparently won.

Charles O'Day, manager of the pennant-winning Springfield team in the Ohio State league, is one of the youngest baseball leaders in organized baseball. His record this year, coupled with the past creditable performances, has attracted much favorable comment, and it has even been suggested that owner Watkins of the Indianapolis team would call him to manage the Indians next season.

"Chick" Fraser, ex-Cub, established a new strike-out record for the Three-I League, fanning 14 Rock Island players and winning the game for Danville, 4 to 2. Frank McNichols, owner of the champion West End team of Chicago, who came with Fraser to aid Danville win the pennant, started the fans with his daring base running. He beat out an infield hit, stole second, third and home.

Membership in the New Mexico dry farming association carries with it membership in the International Dry Farming Congress, and all members are entitled to receive the regular monthly bulletin of the congress "Dry Farming", as well as the annual report of the session of the National congress. The New Mexico association also is entitled to publish any desirable matter in the "Bulletin."

The membership fee is only \$1.09 per year. Of this \$1.09, 75 cents goes to the support of the dry farming congress publication and the remaining 25 cents to the expenses of the New Mexico association.

The reverses we have suffered should have taught us the stern necessity of getting together to study our dry farming problem. Every year some men have made crops in spite of the dry weather—We need to learn how they have done it.

Other matters just now before the association which are of pressing importance are that New Mexico should be represented by a good delegation at the meeting of the Dry Farming Congress of Colorado Springs, Colo., October 16-20, and that the new state should have a splendid exhibit of its dry farming products there.

Give on your help in this effort to make the New Mexico Dry Farming Association a success, and through the association assist in developing the dry farming resources of our new state.

If you want to help, send \$1.09, the annual membership fee, to Earl Scott, secretary-treasurer, Estancia, N. M., as soon as possible, and consider yourself appointed a committee of one to work up an exhibit from your locality to the dry farming congress. Let us hear from you.

W. E. GARRISON, President,
Agricultural College, N. M.

EARL SCOTT, Secretary-Treasurer,
Estancia, N. M.

"He's got a lot of nerve, hasn't he?"

"I should say. Knows the art of bluffing his creditors, doesn't he?"

"Bluffing creditors? Why man, he claims that he can bluff his wife!"

Toledo Blade.
